

FREE SCREENINGS

FOR PROSTATE CANCER

SATURDAY, SEPTEMBER 9, 9-11AM

Healthy Pathways Health Fair
Knoxville Center Mall

Prostate cancer is the most common type of cancer in men, and over 3,300 new cases will be diagnosed this year in Tennessee alone.

Screenings requirements:

- Men age 50+
- Men age 45+ who have a family history of prostate cancer or are African American

All screenings include a digital rectal exam and a PSA (Prostate Specific Antigen) blood test.

**Reserve your spot for
a screening by calling:
